

COVID 19 - SUMMER 2021

For the upcoming summer season, we are ready to accommodate you in safety and with full respect of the regulations. All apartments will be sanitized right after any check-out. Furthermore, in our apartment-house there are no common areas: this is the best guaranty for both your privacy and safety.

We are looking forward to welcoming you, trusting in a gradual return to normality and serenity for everyone.

Keep safe and enjoy the mountain life-style.
